Spiritual Background

Briefly explain your spiritual journey. (i.e. family background, church background, conversion and growth in Christ).

What spiritual gifts do you believe that you have?

In what ways have others affirmed this gift(s) in you?

In what ways would these gifts enable you to lead a small group effectively?

Church and Small Group Experience

In what areas have you served or are presently serving within the Church?

Are you currently a member of Hayward Wesleyan Church?

Are you in agreement with the teachings and doctrine of Hayward Wesleyan Church? If not, in what areas do you have differences?

Have you been involved in a small group in the past? If so, in what ways have you benefited from your group?

Because small group leadership is about relationships, we believe strongly that we need to model trust relationships where both encouragement and accountability are part of our leadership. Do you desire to build trust-relationships within our small group leadership team? Are you willing to keep accountable to the leadership that God has provided within Hayward Wesleyan Church?

Small Group Leadership

In terms of your leadership abilities, what do you identify as your strengths? Weaknesses?

What do you hope to see accomplished within your small group (if you were to lead)?
